

D. N. X06-UWY-CV14-6025333-S : SUPERIOR COURT/CLD
ROBIN SHERWOOD, ET AL : J.D. OF WATERBURY
V. : AT WATERBURY
STAMFORD HOSPITAL : APRIL 1, 2016

OBJECTION TO STAMFORD HOSPITAL'S
PROPOSED SCHEDULING ORDER

The Plaintiffs hereby object to Defendant's Proposed Scheduling Order. There is no need to move the trial date at this time. Plaintiffs had several discussions with defense counsel on this issue. Medical Records have already been provided to Defendants and while discovery is ongoing, a substantial portion of discovery is complete. This case involves the same products that were in the Farrell case that was previously before this Court. Much of discovery overlaps with the Farrell case and does not need to be duplicated here. As a result, limited discovery issues remain.

Further, this case does not involve a physician as a defendant as the Farrell case did so it will not involve many of the issues contained in Farrell. This is a straight forward products liability claim and can be ready for the current trial date in January, 2017.

Therefore, the Defendant's proposed scheduling order should be denied and the current trial date of January 10, 2017 should remain.
